Global Supply. Trusted Quality.

About Us

**Trusted Agricultural Export Partner
from India.**

Novera Materials LLP is a major export-oriented company specializing in the sourcing and international supply of premium agricultural products from India. We serve global buyers with a strong commitment to quality, reliability, consistency, and professional trade practices.

With direct sourcing from trusted farmers and agricultural networks, we ensure carefully selected produce that meets international buyer expectations. Our focus is to deliver high-quality agricultural products supported by dependable sourcing, export-standard packaging, and timely shipments.

At Novera Materials LLP, we aim to build long-term partnerships with importers, wholesalers, distributors, supermarket chains, food processors, and institutional buyers across global markets, including the USA , UAE, Qatar, Oman , Middle East, Saudi Arabia, Netherlands, Germany, and other international destinations.
